

Northern States Power Company/Northern States Power Company (Wisconsin)

**Notice of Customer Voluntary Written Consent
 In Compliance with 18 C.F.R Part 358.5(b)(4)**

A non-affiliated transmission customer may voluntarily consent, in writing, to allow the Transmission Provider to share the non-affiliated customer's information with a Marketing or Energy Affiliate. If a non-affiliated customer authorizes the Transmission Provider to share its information with a Marketing or Energy Affiliate, the Transmission Provider must post notice on the OASIS or Internet website of that consent along with a statement that it did not provide any preferences, either operational or rate-related, in exchange for that voluntary consent.

Customer	Description
