Public Service Company of Colorado

Meeting Notice
In Compliance with 18 C.F.R. Part 358.5(a)(2)

The Transmission Provider must ensure that any employee of its Marketing or Energy affiliate is prohibited from obtaining information about the Transmission Provider's transmission system (including, but not limited to, information about available transmission capability, price, curtailments, storage, ancillary services, balancing, maintenance activity, capacity expansion plans or similar information) through access to information not posted on the OASIS or Internet website or that is not otherwise also available to the general public without restriction.

PSCo's replacement of its Energy Management System requires an operator from Xcel Energy Transmission to explain new AGC screens that have been created for Xcel Energy Market's use in the new system. Greg Foust, Sr. System Operator, will explain the new screens on Tuesday, September 6, at 10 AM, Denver Place, 1099 18th St., Suite 3000, Denver, CO. No transmission information will be disclosed.

This meeting has been rescheduled for Thursday, September 8, 2005, at 10 AM, Denver Place, 1099 18th St., Suite 3000, Denver, CO.
