

VERSION 1

Date Posted: 5/5/2008

Southwestern Public Service Company Meeting Notice In Compliance with 18 C.F.R. Part 358.5(a)(2) The Transmission Provider must ensure that any employee of its Marketing or Energy Affiliate is prohibited from obtaining information about the Transmission Provider's transmission system (including, but not limited to, information about available transmission capability, price, curtailments, storage, ancillary services, balancing, maintenance activity, capacity expansion plans or similar information) through access to information not posted on the OASIS or Internet website or that is not otherwise also available to the general public without restriction.

There will be a joint, public meeting between FERC staff, Southwest Power Pool staff, Golden Spread Electric Cooperative personnel, SPS Marketing function personnel, and SPS transmission function personnel at 11:00AM Central Daylight Time on Friday, May 9, 2008.

The meeting agenda is a discussion of SPS Balancing Authority operations during SPP market VRL events.

The meeting is accessible to the public by conference call.

The conference call number is 1 866 910 4857

The conference call passcode is 369744
